

# **An Open Letter to Our Dance Families**

To our dance family, I hope this email finds you all safe and well. A lot has changed over the last 3 months. We are living in a time that is unpredictable, scary and uncertain. We have experienced so much heartache and loss, but we continue to be resilient and persevere. We want you to know that we are here for you. We are so proud and warmed by what we are seeing in our dance community. The support, the love, and camaraderie, only reminds us that we are one in the same. We are human. West Main Studios stands against all forms of violence and racism. We want to thank our dance family for always bringing unity to our world as we come together with love to fight the forces that lead to hate. Dance is about inclusion. It is about passion. It is a universal language that knows no borders or boundaries. Today we are silent and still.

Sincerely, Your WMS Staff
